Attain, LLC Board of Managers admits Paul Matteucci to Partnership

McLean, VA – April 5, 2016 – Attain, LLC, a leading management, technology and strategy consulting firm, today announced that Mr. Paul Matteucci has been admitted to the firm’s partnership, effective April 1, 2016. As a partner, Mr. Matteucci will be responsible for the leadership and growth of Attain’s Federal Financial sector practice.

“We welcome Paul to the partnership with great enthusiasm for his ongoing contributions to providing the best transformational services and solutions to our Federal clients, and developing opportunities and talent that position Attain for continued growth,” said Manish Agarwal, president of Attain’s Federal Services division. “Paul has continuously demonstrated exemplary leadership, and we thank him for his steadfast service as he joins our partnership.”

Mr. Matteucci joined Attain in 2012 as a director within the Federal Services division. In that role, he established and was responsible for managing a diverse portfolio of projects, stakeholders, and technologies for federal financial agency clients, including significant work for the U.S. Securities and Exchange Commission. In addition to the value he brings to supporting the missions of our clients, Mr. Matteucci also has built one of Attain’s most successful practice teams.

Before joining Attain, Mr. Matteucci held various roles at SAP Public Services, serving both federal civilian and federal defense agencies. He also focused on service to civilian agencies at Hitachi Consulting and AM&PM, Inc., following his departure from the Office of the Secretary of Defense (OSD) where he served as CIO OSD/RA (Reserve Affairs), ESGR (Employer Support for Guard and Reserve).

“Striving to live by the core values that define Attain’s culture, Paul has fostered strong, trusted advisor relationships and delivered results for the collective success of Attain and our clients,” said Greg Baroni, chairman and CEO of Attain. “I look forward to his continued leadership and expanded responsibilities as we build a lasting, next generation consultancy.”
