

Attain Names New Partner

Attain, LLC Board of Managers admits Michael Torbert to Partnership

McLean, VA – April 5, 2016 – Attain, LLC, a leading management, technology and strategy consulting firm, today announced that Mr. Michael Torbert has been admitted to the firm’s partnership, effective April 1, 2016. As a partner, Mr. Torbert will be responsible for developing strategic clients to grow Attain’s Federal Civilian sector practice.

“We are pleased to welcome Mike to the partnership, with great anticipation of his continued contributions to providing the best transformational services and solutions to our Federal clients, and developing opportunities and talent that position Attain for sustained growth,” said Manish Agarwal, president of Attain’s Federal Services division. “Mike exemplifies the kind of leadership that will propel our business to achieve exceptional results, and we thank him for his dedicated service as he joins our partnership.”

Mr. Torbert joined Attain as a senior manager within the Federal Services division in 2009, ascending to managing director in 2015. In his various roles within the firm, he made significant contributions to Attain’s accelerated growth, including major contract wins with the National Archives and Records Administration—one of Attain’s largest contracts to date—and the U.S. Department of Agriculture, where he managed the largest federal civilian cloud deployment.

Prior to joining Attain, Mr. Torbert was a practice director at Unisys Corporation. He previously held senior roles in corporate and business development at Lockheed Martin. With expertise in infrastructure services and network engineering, he began his career in telecommunications at MCI.

“Embracing the core values that define Attain’s culture, Mike is a trusted advisor who delivers market leading results for the collective success of Attain and our clients,” said Greg Baroni, chairman and CEO of Attain. “I look forward to the promise of his continued direction and expanded responsibilities as we build a lasting, next generation consultancy.”
