

**Attain, LLC Unveils Redesigned Website**  
*Professional Services Company Launches New and Improved Attain.com*

**VIENNA, VA – July 1, 2013** – Attain, LLC, a leading management, technology and strategy consulting firm, today unveiled its redesigned website, [www.attain.com](http://www.attain.com). The mobile-friendly site offers all-new content, enhanced features and capabilities, a high-impact refreshed look and an expanded color palette.

With an interactive design, Attain.com invites users to explore their potential career path with Attain; learn more about the company's clients, services, industries, corporate partners and contract vehicles; hear directly from Attain's exceptional team through videos and other content; browse a repository of solution and industry insights; check Attain's online calendar of conferences and events; read about how the company's team helps support the communities in which they live and work; and visit the newsroom to read what others are saying about Attain.

“We felt it was time to create a refreshed online identity that best represents our corporate culture, and provides a platform to showcase our proven performance and forward thinking,” said Greg Baroni, chairman and chief executive officer of Attain. “The redesigned Attain.com reflects our collaborative work environment that fosters innovation, encourages new ways of thinking, and values a commitment to excellence – producing the best results for our clients.”

Attain will continue to roll out new features to further enhance the online experience, including video blogs, communities of interest, and more.
